### From Georgia.

Special Dispatch toffhe Republican Atlanta, Ga., May 24.—Reports from Southwestern Georgia gives more favorable accounts of the crop prospect than we have had heretofore. The wheat is nearly harvested and the yield is much above the average; the promise is better than it has been for years. About half crop of cotton will be raised in Middle Georgia. The wheat and cotton crops is much injured, the corn

Four prisoners passed through here to-day, en rout for the penitentiary, from Coweta cownty. Two of them were lately in the United States army. They go for seven years.

Sixty-six white men confined in jail in Mobile made a desperate effort to escape on Monday night. They seized the jailor as he was giving them water, and locked him up. The plot was discovered, however, the alarm given and the police arrived in time to prevent any escape.
